

2012-13 • Band Participation Donation

Student Name _____

Parent/Guardian Name _____

Amount you are able to donate: _____

No student will be prevented from performing or participating due to financial reasons.

Conversely, if you can afford to donate, your contribution will help ease our fundraising efforts.

The actual cost per student in band is \$1000 per year. The entire budget for the year is 65,000.

We have fundraisers in place to support the group as a whole. The fundraisers cover the portion per student not covered in the amount you are able to donate.

The donation covers the entire school year.

We are not able to suggest an amount to donate, keep track of who donates or send reminders. If you have questions please call or email and I will do my best to answer any questions.

- Make checks or money order to BBofSCHS
- Drop payments in the booster drop box in the band room OR mail to the treasurer:

Band Boosters of Santa Cruz High School
